

Dear supporter,

Many of you have asked us about helping out with the effort. We've got our needs identified. Now we're asking for your help.

We're creating a volunteer page at <http://www.googlewinports.com/volunteer> related to specific tasks we need done, how long it will take, and how to take the next step. But for now, we need you to simply show up at our office, 101 W. 2nd St., the corner of 1st Ave. W and 2nd St. in downtown Duluth. Our number is (218) 260-2882. The office is open this week from 9 a.m. through 9 p.m. So any time during those hours feel free to stop by and help. And if possible, bring a laptop.

Thank you,

Patrick Garmoe

Public Information Officer
