

# **Volunteers needed for movie, brochure-drop campaign**

Dear Supporters,

Ever wanted to be in a movie? Here's your chance. We're holding an open casting call for Google Fiber Twin Ports from 9 a.m. until 1 p.m. on Saturday, March 13, at the Carnegie Building in Duluth, located at 101 West Second Street, Suite 200. Participants don't need an appointment for the casting call. The goal is to find actors for a movie we'll be filming on March 20.

If you're not interested in acting, we can still use your help Saturday. We have thousands of postcards we need people to hand-deliver to each home in Duluth and Superior. The card asks if the homeowner would purchase ultra-high speed Internet service, if Google built it. A key part of our strategy is to prove to Google that our residents are ready, willing and able to embrace this ultra-high speed fiber Internet system. Proving the support for the service exists is one big way we're going to set ourselves apart from every other city in the U.S.

Please show up between 9 a.m. and 1 p.m. Saturday for the casting call. To pick up postcards, please come between 9 a.m. and 5 p.m. Saturday.

101 West Second Street, Suite 200  
Duluth, MN
